Important news and events

Do you have some great ideas, a little extra time, and would like to help IRC?

We are looking for individuals to help with the next newsletter. Our goal is to have a biannual newsletter that helps to promote the horses of our registry as well as to inform our members. We would love any articles, photos, or just general information that could serve this purpose. The next newsletter will go out in July. Please send submissions to coloredhorses@aol.com.

2005 Show Dates

There will be three new IRC IBC classes this year. In addition to Dressage at Devon there will also be an International Registry of Colored Horses class at three shows at Morven Park in Leesburg, Virginia.

The dates of these shows are..... June 8th, August 13th and August 14th.

IRC would like to sponsor more classes, and we would like to hear from you as to which shows you think would work well. Please contact us by phone, email, or mail, because your opinion is important to us.

It is time for our Annual Stallion Service Auction.

The auction will be posted February 10 and will run through the end of February. Check our website to find out which stallions will participate in the auction.

www.coloredhorses.com

*If you are interested in donating a breeding to the auction please contact us at coloredhorses@aol.com.

GALVESTON

Imported 1999 Dutch X Irish Hunter
Bay and white 16.1h/1.65m

Registered: International Registry of Colored Horses #SHPI-00017

Got bone? This stallion does! With over 9" of cannon bone and size 4 shoes, Galveston is built for strength. Every judge he has been before has remarked on his substantial bone and conformation. He was Grand Champion International Registry of Colored Horses, Dressage at Devon 2003 and 2004. Has placed top 10 multiple times at Devon and won his class at the BFK Sport Horse breeding show at HPNJ. He also won the stallion IH/US classes at Fair Hills. Galveston did well showing in the United Kingdom- never out of the ribbons. His sire, Orlando, was bred and owned by H.M. the Queen and his pedigree traces back to the famous colored jumping stallion Ico. There is no Samber blood here! Most of his relatives excel in jumping and dressage, and his dam, Contact, was a graded advanced Eventer. Galveston would be an excellent cross with a lighter type horse for someone looking to improve the bone and strength. Stud fee: \$1,000 USD + \$200 Booking Semen: AI, or cooled.

Sambertino

(Samber/Wellington Keur)

100 day performance tested 16.2hh Dutch warmblood, Dark Bay Tobiano Dressage stallion.

Tested Homozygous Black.

Sambertino was placed 8th(out of 43) overall for dressage on his 100 day test. His test scores include 10/10 Temperament and attitude to work. He was a Pavo Cup finalist in Holland as a 4 and 5 year old and has sired over 100 KWPN foals. His eldest progeny are now competing at advanced level dressage and 1.20m jumping. Our Sambertino/Brentano II coloured colt foal Zamurai was 7th highest placed colt foal at this years Best of British Dressage foal show (40 entries) and the only coloured!

Sambertino has been competing very successfully in the Hanoverian region of Germany this year, being placed 1st to 3rd at every competition. He will be staying in Germany for competition for 2005.

In the US Renatino (Sambertino/Darwin) owner Gundi Younger of California was winner of : - USDF (United States Dressage Federation) Adult Amateur Award for 5th Place (out of 191 rider published), 69.429% average - NAWPN All Breeds 1st level Adult Amateur CHAMPION 69.429% and took 5th Place with a score of 69.579% in the Open section

Frozen semen available from store in US. EVA negative. First foals born in the US 2004.
